

ALCOHOL POLICY

Issue 01 - August 2019

We have a duty of care to the children and young people attending our course. This policy sets out our course rules for the consumption of alcohol during the course.

In France, you must be aged 18 or over to purchase alcohol. Children and young people, however, are not expressly prevented from consuming alcohol at home, and a glass of wine with dinner is commonplace.

Whilst we have never encountered any issues on our previous courses, we have set out our policy clearly, as below, which applies from 2020 onwards:

- Participants aged 18 or over – no restriction
- Participants aged 16 or 17 – our policy permits a single small glass of wine with the evening meal, only with the express consent of the participant's parent/guardian. We will contact the parent/guardian prior to the course to obtain consent or otherwise.
- Participants under the age of 16 – alcohol consumption is not permitted at any time.
